

US Army Corps  
of Engineers

## Emergency Preparedness Day

*Get your questions answered and have fun!*

The U.S. Army Corps of Engineers  
is holding a community outreach  
event opened to the public.  
Come learn what the Corps is  
doing in preparation for the  
2008 hurricane season!

**10 a.m. to 4 p.m.**

**Saturday, June 14, 2008**

**Audubon River View Park**

**("The Fly")**

There will be children's activities and booths on the  
hurricane and storm damage risk reduction system,  
flood damage reduction, navigation,  
recreation, coastal restoration and more!
