SSE was well represented in tailgating village before the Tulane vs. Tulsa game on Saturday, November 2nd. Current students, alumni, Board of Advisors members, faculty, and staff enjoyed free food, free beverages, and great company on the beautiful sunny fall day! Dean Foster's dog, Brie, even made an appearance in her Tulane sweater. SSE Student Government and Science and Engineering Honors Society members staffed the swag sales table, generating funds to support their programming throughout the year. Roll Wave!
