Cell MS students took a break from MCAT prep studies to pose with alums. This semester, the Department of Cell & Molecular Biology has an unprecedented all-woman cohort of 12 brilliant students.

Front: Roselene Louis, Jaily Jones, Montana Billings, Aval Dudhat, Gaby Moyano, Iris Chau, and Chelsea Le with Shivani Patel (MS '24) and Belarsi Ouattara (MS '25, PhD first year)

Back: Haiden Citron (BS '22, MS '25) with Kyla Johnson and Semaj James
