

Damian R. Murray

Department of Psychology, Tulane University
2007 Percival Stern Hall, New Orleans, LA 70118
T: (504) 862-3344
E: dmurray4@tulane.edu
W: esclab.tulane.edu

Education

- University of British Columbia**, Vancouver, BC, Canada August 2013
Ph. D. Social Psychology (Advisor: Dr. Mark Schaller)
Ph. D. Minor Quantitative Methods
- University of British Columbia**, Vancouver, BC, Canada August 2009
M. A. Social Psychology
- University of British Columbia**, Vancouver, BC, Canada May 2006
B. A. Psychology

Professional Employment

- Tulane University**, New Orleans, LA August 2015 – Present
Assistant Professor
- University of California, Los Angeles**, Los Angeles, CA October 2013 – August 2015
Postdoctoral Scholar; Instructor (Advisor: Dr. Martie Haselton)

Conference Presentations: Talks

Kerry, N., & **Murray, D. R.** (2019). Politics and parental care: Experimental and mediational tests of the causal link between parenting motivation and social conservatism. Talk presented at the annual meeting of the Human Behavior and Evolution Society, Boston, MA. *Talk presented as a New Investigator Award finalist.

Airington, Z., Prokosch, M. L., **Murray, D. R.** (2019). Sex, Smells, and Disgust: The relationship between smell acuity, disgust, and mating. Talk presented at the annual meeting of the Human Behavior and Evolution Society, Boston, MA.

Prokosch, M. L., Moran, J. B., & **Murray, D. R.** (2019). Pathogen sensitivity shapes preference for romantic and sexual partner health. Datablitz talk presented at the annual meeting for the Human Behavior and Evolution Society, Boston, MA.

Moran, J. B., Prokosch, M.L., & **Murray, D. R.** (2019). Do pathogens and disgust influence extrapair mating? Datablitz talk presented at the annual meeting of the Human Behavior and Evolution Society, Boston, MA.

Moran, J. B., & **Murray, D. R.** (2019). Does learning about Error Management Theory reduce overestimation of sexual intent? Talk presented at the annual meeting of Northeastern Evolutionary Psychology Society, Boston, MA. *Awarded Best Student Talk

- Prokosch, M. L., Moran, J. B., & **Murray, D. R.** (2019). Pathogen sensitivity shapes preference for romantic and sexual partner health. Talk presented at the annual meeting of the Northeastern Evolutionary Psychology Society, Boston, MA.
- Loria, R., Kerry, N., & **Murray, D., R.** (2019). Gluttons for punishment? Experimentally induced hunger reduces harshness of suggested punishments. Datablitz talk presented at the annual meeting of the Northeastern Evolutionary Psychology Society, Boston, MA.

- Schaller, M., Beall, A., & **Murray, D. R.** (2011). Pathogen threat and its implications for mate preferences. Talk presented at the Human Behavior and Evolutionary Society, Annual Conference, Montpellier, France.
- Murray, D. R.**, & Schaller, M. (2010). Disease prevalence and conformity. Talk presented at the Human Behavior and Evolutionary Society Annual Conference, Eugene, OR.

Conference Presentations: Posters

- Airington, Z., Prokosch, M. L., **Murray, D. R.** (2019). Smells and sexual strategy: The relationship between olfactory acuity, disgust, and mating strategy. Poster presented at the annual meeting of the Northeastern Evolutionary Psychology Society, Boston, MA.
**Awarded Best Student Poster*
- Loria, R., Kerry, N., & **Murray, D., R.** (2019). Gluttons for Punishment? Experimentally Induced Hunger Unexpectedly Reduces Harshness of Suggested Punishments. Poster presented at the annual meeting of the Human Behavior and Evolution Society, Boston, MA.
- Moran, J. B., Wade, T. J., & **Murray, D.R.** (2019). Understanding the situational factors of breakup sex: A supportive case for sexual strategies theory. Poster presented at the Evolutionary Psychology Preconference of the Annual Meeting of the Society for Personality and Social Psychology, Portland, OR.

- Loria, R., Kerry, N., & **Murray, D. R.** (2019). Hunger and punishment. Poster presented at the Annual Meeting of the Society for Personality and Social Psychology, Portland, OR.
- Jesse, W. E., Ness-Lanckriet, K. R., Prokosch, M.L., Moran, J. B., & **Murray, D. R.** (2019). Life history and mate selections: Environmental cues of harshness and unpredictability shape trait preferences for short and long-term mates. Presented at the Evolutionary Psychology Preconference of the annual meeting of the Society for Personality and Social Psychology, Portland, OR.
- Prokosch, M.L., Moran, J. B., & **Murray, D.R.** (2019). Pathogen sensitivity shapes preference for romantic and sexual partner health. Poster presented at the Evolutionary Psychology Preconference of the Annual Meeting of the Society for Personality and Social Psychology, Portland, OR.
- Ness-Lanckriet, K. R., Moran, J. B., & **Murray D. R.** (2019). Do women approve of an error management theory based intervention for sexual assault? Poster presented at the annual meeting of the Society for Personality and Social Psychology, Portland, OR.
- Moran, J. B., Jesse, W. E., & **Murray D. R.** (2019). Men gain a better understanding of sexual assault with the education of error management theory: A preliminary study. Poster presented at the annual meeting of Society of Personality and Social Psychology, Portland, OR.
- Moran, J. B., Kerry, N., Airington, Z., Prokosch, M. L., & **Murray D. R.** (2018). Investigating men's overestimation bias: How socioeconomic status affects men's decision to overestimate women's sexual intent. Poster presented at the annual meeting of the Society for Judgment and Decision Making, New Orleans, LA.
- Loria, R., Kerry, N., & **Murray, D. R.** (2018). Conservative parenting: Investigating the relationships between parenthood, moral judgment, and social conservatism. Poster presented at the annual meeting of the Human Behavior and Evolution Society, Amsterdam, Netherlands.
- Moran, J., Kerry, N., Airington, Z., Prokosch, M., & **Murray, D. R.** (2018). The association between life history strategy and men's overestimation of sexual intent and commitment skepticism. Poster presented at the annual meeting of the Human Behavior and Evolution Society, Amsterdam, Netherlands.
- Moran, J. B., & **Murray, D. R.** (2018). Examining the relationship between life history strategy and error management theory. Poster presented at the annual meeting of the Northeastern Evolutionary Psychology Society, New Paltz, NY.
- Airington, Z., Kerry, N., & **Murray D. R.** (2018). Strength in Politics: Self-reported formidability and hand-grip strength predict increased conservatism. Poster presented at the Evolutionary Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.

- Moran, J. B., & **Murray, D. R.** (2018). Examining the relationship between life history strategy and error management theory. Poster presented at the annual meeting of Evolutionary Psychology Preconference of Society of Personality and Social Psychology, Atlanta, GA.
- Loria, R., Kerry, N., & **Murray, D. R.** (2018). Conservative parenting: Investigating the relationships between parenthood, moral judgment, and social conservatism. Poster presented at the Southeastern Evolutionary Perspectives Society (SEEPS) annual conference, Savannah, GA.
- Savolainen, I., Kerry, N., **Murray, D. R.**, Harman, J., & McCord, J. (2017). Results in major sporting events affect spectators' ingroup bias and attitudes towards wealth distribution. Poster presented at the Political Psychology preconference of the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Kerry, N., **Murray, D. R.**, & Gervais, W. (2017). Disease risk increases severity of moral judgment across domains. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Clark, S., Kerry, N., & **Murray, D. R.** (2017). Strong foundations? Is there a relationship between formidability and differential judgment across moral foundations categories? Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Kerry, N., **Murray, D. R.**, & Fessler, D. M. T. (2016). The Kiss of Death: Does Disease Threat Predict Less Ritualized Physical Contact in Traditional Cultures? Poster presented at the Evolutionary Psychology Preconference of the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Dinh, T., **Murray, D. R.**, & Haselton, M. G. (2015). Men's body odor predicts women's sexual and romantic relationship satisfaction. Poster presented at the annual meeting of the Human Behavior and Evolution Society, Columbia, MO.
- McKerracher, L., Sellen, D., Nepomnaschy, P., **Murray, D. R.**, Schaller, M., & Collard, M. (2011). Variation in age at introduction of weaning foods in small-scale farming and herding populations is inversely associated with pathogen risk. Poster presented at the American Association of Physical Anthropology, Annual Conference, Minneapolis, MN.
- Murray, D. R.**, Jones, D. N., & Schaller, M. (2010). Chronic germ aversion and temporary disease salience predict more restrictive sociosexual orientation. Poster presented at the Evolutionary Psychology preconference of the annual meeting of the Society for Personality and Social Psychology. Las Vegas, NV.
- Murray, D. R.**, & Schaller, M. (2009). Pathogen prevalence predicts cross-cultural differences in conformity. Poster presented at the Evolutionary Psychology preconference of the annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

Murray, D. R., & Schaller, M. (2008). Pathogens, personality, and culture: Disease prevalence predicts worldwide variability in sociosexuality, extraversion, and openness to experience. Poster presented at the Evolutionary Psychology preconference of the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Other Invited Talks

Murray, D. R. (2018). Beyond Immunity: How the “Behavioral” Immune System Influences Social Behavior, Cultures, and Genes. University of British Columbia, Okanagan Psychology Speaker Series. Kelowna, BC, Canada.

Murray, D. R. (2018). How the threat of disease influences attitudes, behavior, and culture. University of California, Riverside, Social and Personality Psychology Speaker Series. Riverside, CA.

Murray, D. R. (2017). The influence of disease threat on cognition, behavior, and culture. University of Southern Mississippi, Psychology Speaker Series. Hattiesburg, MS.

Murray, D. R. (2015). The implications of disease threat for conformity, cordiality, and culture. University of California, Los Angeles, Social Psychology Speaker Series. Los Angeles, CA.

Murray, D. R. (2010). Disease prevalence and the evolution of cross-cultural differences. Simon Fraser University, Anthropology and Archaeology Lecture Series. Vancouver, BC, Canada.

Awards, Grants, & Scholarships

External Grants (Principal Investigator)

2016-2019: *The Implications of Disease Vulnerability for Psychology and Behavior.* Louisiana Board of Regents (\$167,451).

Intramural Support

2019: *Carol Lavin Bernick Faculty Grant Program;* Tulane University (\$8,100)

2016: *COR Research Fellowship Program;* Tulane University (\$9,092).

Notable Graduate & Postgraduate Awards & Honors

2013-2015: *Postdoctoral Fellowship;* Social Sciences and Humanities Research Council of Canada. (\$81,000).

2009-2012: *Joseph-Armand Bombardier Canadian Graduate Scholarship*; Social Sciences and Humanities Research Council of Canada. (\$105,000).

2010: *Stanley Coren Prize: Best Master's Thesis in Psychology*. University of British Columbia.

2010: *Award for Academic Excellence—Master's Thesis*. Canadian Psychological Association.
